Hidden Gem

Scenic Valley Farms 2023 Pinot Gris (Willamette Valley).

Wild fermented three different ways carbonic, whole cluster press and skin contact fermentation then barrel aged for six months in 15% new estate harvested oak. A wine with terroir and zeitgeist. Floral aromas of lilies and bougainvillea, soft texture and ripe red flavors, with a touch of Oregon oak on the finish, and just enough tannins to make it a dynamic wine for food pairing.
