Winemaking Notes: - The 2022 vintage was unpredictable to say the least. Our Grüner Veltliner was the varietal most affected by the frost at budbreak, and yields were down to about half their average. Fortunately, that meant the flavors were intense and highly concentrated. We used a longer press cycle to extract a little extra juice, which gave us an even more intense flavor profile. It is the last fruit harvested and the first wine bottled (just 53 days from grapes to bottle!), which helps maintain a light, crisp, fresh flavor profile, with complex savory notes in the background, including a distinct green jalepeño flavor that is positively hypnotizing.

Vineyards: Scenic Valley Vineyard, 200 ft. elevation, Alluvial soils, average vine age ~ 15 years

Tasting Notes: A crisp, light white wine with aromas of apple and pear, this year's vintage comes with a very distinct hint of jalepeño in the background. A really fun wine that would be a great partner for spicy Mexican or Latin American food, or just served chilled on a sunny day.

Vintage Notes: The motto for the 2022 vintage was “embrace the weird”. A warm, wet spring foreshadowed an early, healthy harvest, but a freak snowstorm in May threw everything off balance. Many vineyards lost a significant amount of their crop, but we were fortunate, and maintained healthy vines through the snow. As a result of the Spring Snowstorm, every crop on the farm was two weeks behind schedule, including wine grapes. We were blessed with dry weather in October, and we began the slow and steady harvest to get all the grapes off the vine before the rain came. The resulting wines show great promise, with reasonably low alcohol levels and balanced acidity. The fruit and texture are definitely there, with a hint of herbal notes to remind us of the cool weather to start the spring. We are expecting easy drinking wines with complexity and depth, but if the 2022 vintage taught us anything, it's to expect the unexpected.
