

WINE ENTHUSIAST BUYING GUIDE

Editor's Choice Best Buy

Scenic Valley Farms 2022 Ramato Pinot Gris (Willamette Valley).

Wild fermented for added complexity, and we barrel selected our 5 favorite barrels (including two brand new barrels crafted from estate harvested Oregon white oak) to ensure this wine had enough depth of flavor and texture to deserve its single vineyard status. Hand bottled unfiltered to create a wine that has the potential to age gracefully. Bold red flavors of cherry and raspberry are accented by aromas of backing spice and clove. The use of Oregon oak barrels gives the wine structure and makes it age worthy. A full-bodied orange wine that pairs beautifully with halibut or other rich seafood dishes.
